Section II

☐ It is our intent to adopt ISO Form No. _____ or its equivalent for use with the following policies or coverage forms not listed above:

☐ It is our intent to use form _____, equivalent to ISO form _____, with the following policies or programs not listed above. Editorial modifications to the equivalent ISO form are not substantive and do not materially affect the nature or extent of the exclusion.

Section III

The Undersigned Company agrees that:

If modified to conform to the language and structure of the above-listed policies or forms, the endorsements shall not differ materially from the provisions of the ISO endorsements indicated.

Terrorism exclusion endorsements shall not be attached to workers' compensation insurance policies or policies of Motor Vehicle insurance.

Terrorism exclusion endorsements attached to policies providing Fire insurance coverage shall provide coverage for ensuing direct loss caused by fire.

The company will use these terrorism exclusion endorsements on an optional basis, according to its own underwriting guidelines, without premium consideration. The endorsements are available for use by the company as of the date of receipt by the Bureau of Insurance of this Reference Filing Authorization for Terrorism Exclusion Endorsements (form VA CP 2002). The company will include the ISO form number on any modified equivalent form, with an appropriate prefix or suffix added, and will include the form number on the next updated forms list for the applicable program.

The Bureau reserves the right to withdraw approval of these terrorism exclusion endorsements based upon the enactment of federal legislation to provide reinsurance coverage for terrorism exposures or the general availability of other reinsurance coverage. Should approval of the referenced ISO endorsements be withdrawn, the company agrees to discontinue the use of such endorsements, including any modified versions, upon 90 days' written notice in accordance with § 38.2-317 D of the Code of Virginia.
